UNMASKING A MYTH

when they want to
control you
they do **not** come
with shackles
made of iron
they come instead
with cages made
of shame and story

like the one
about the woman
who earned crisis
for her curiosity
so tempted by a life
of wisdom and independence
she caused the downfall
of all civilization

women are dangerous
says the shame story of Eve
they cannot
be trusted and
should not
trust themselves

give a woman
free choice and
she'll eat the fruit
tempt the man
enrage the god
she'll destroy us all
with her mad desire
to know
to discover
to understand
her self
her world
her maker

give a woman any freedom
and she'll follow
her curiosity
shape her
own story
seek truth beyond
the dictates
of order and obedience

she will wreck
your carefully controlled mandates
your reign of tightness
she will unmake
your holy wars
of right and wrong
and infuse the realm with
choice and instinct
empathy outranking rules
creativity eclipsing war
sovereignty subsuming
blind servitude

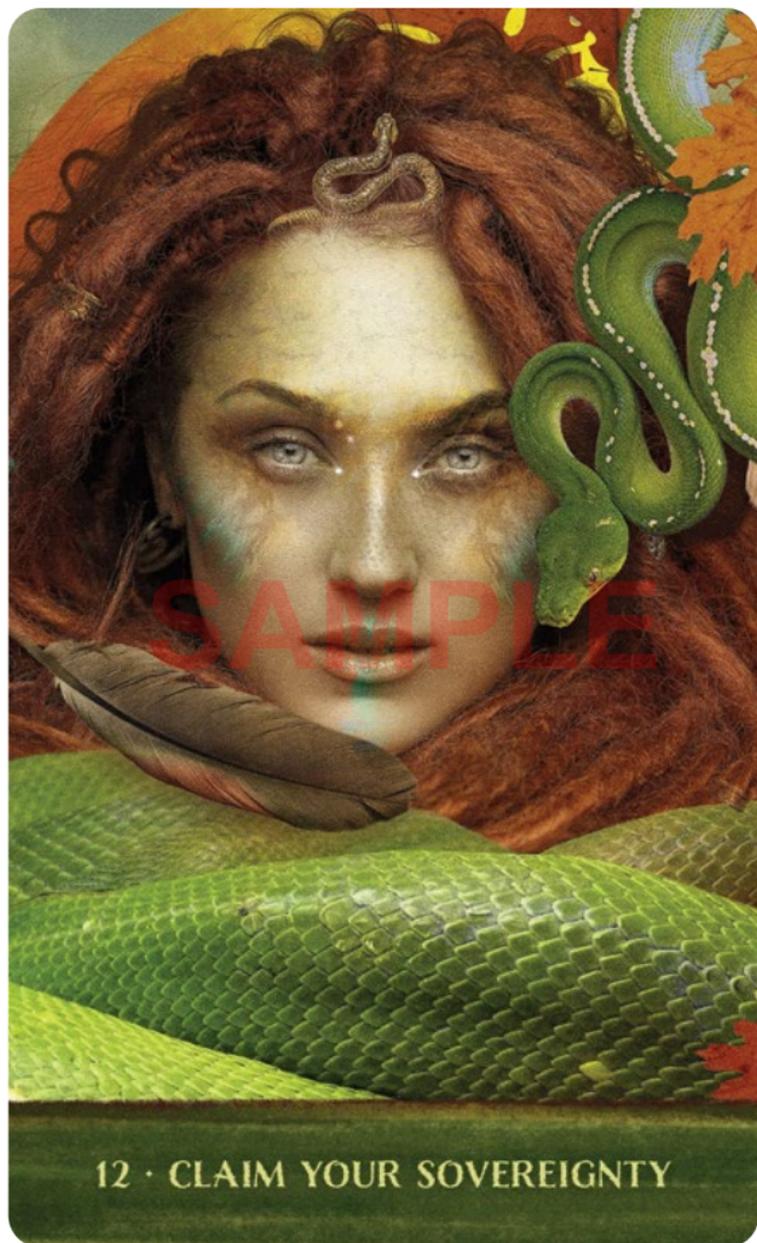

when you want to know
like Eve
when you have a taste
for truth
and a hunger for wisdom
you have to question
the stories
test the facts
rattle the cage

RELEASE PERFECTIONISM

You can't speak butterfly language with caterpillar people. So stop trying so hard to please, persuade and fit in. Have patience with all that's unresolved in your heart and seek out others who burn with the same need for transformation that you do. When we get up from the table where love is no longer being served, and we seek out the place we are celebrated rather than tolerated, Wild Woman rises.

12 · CLAIM YOUR SOVEREIGNTY

CLAIM YOUR SOVEREIGNTY

Don't be afraid of your transformation. Release your old ideas and false beliefs as easily and naturally as a snake sheds its skin. Stand in the center of your life. Even in the midst of change, take up space, without contorting or contracting to make other people more comfortable. Your heart is a sovereign nation and only you can rule it. When we embody the power that was once denied us, and which we once denied ourselves, we create self-dominion, and Wild Woman rises.

FIGHT LIKE A GIRL

When it's time to take a stand, fight like a girl. A woman's heart in full bloom, willing to withstand the bite of thorns in order to free herself or another, is a force of nature. Whether your fight is for inner advocacy, to clear the path of old patterns, beliefs or relationships that no longer serve you, or outer advocacy for a cause you believe in, there's no power on earth like a loving heart willing to stand up and stand out. When we come to the fight with a vision for the highest good of all rather than an "us vs. them," we liberate our inner shero (she + hero = shero), and Wild Woman rises.
