INTRODUCTION

Old Style Oracle is the third and final project in a family of decks designed in the style of antique book engravings from the 15th-19th centuries. Together with the Old Style Lenormand and the Old Style Tarot, this deck forms a special set, unified by common motifs, patterns and aesthetics. If you liked the previous decks in the collection, I'm sure Old Style Oracle will please you with its responsiveness as well.

Old Style Oracle was created as a very simple and accessible self-analysis and prediction tool for everyone. You can take the deck out of the box for the first time, do the layout and read the answer without any

prior knowledge or preparation. Due to the choice of archetypal symbols perceived on a subconscious level, the oracle is intuitive and has great potential for in-depth interpretations.

Dear readers, you are faced with a brand new cartomantic system. Explore it and become discoverers of insightful interpretations and meanings. Use it in combination with tarot and Lenormand cards. Reveal its possibilities and test its strengths. Find out how it manifests answers in different readings and layouts. The information provided in this guidebook is only a small part of what you can discover with this deck.

I would be honored if you'd allow Old Style Oracle to be your wise counselor and working tool on your path to making yourself and the world a little better.

With joy and anticipation,
Alexander Ray

THE BASIS OF THE ORACLE

The mechanics of the Old Style Oracle are based on two systems: the chakras and archetypal symbols.

Archetypal symbols are built into our collective minds, allowing us to understand their meaning intuitively, without any training. Whether it's a mirror symbol, a well, or any of the 52 deck images, we have no trouble understanding everything they carry within them.

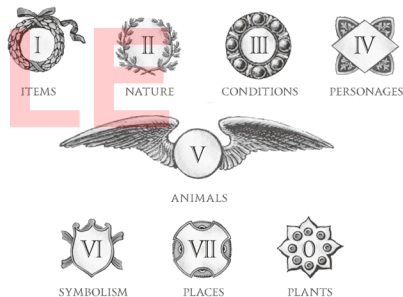

The chakra system integrated into the oracle will probably interest those readers who wish to delve into the numerological, color, energy, spiritual and other facets of the energy centers of humankind and the surrounding world.

When working with the Old Style Oracle, you can be guided both by the symbolism of the cards and the chakras, which will help make your predictions or analysis more accurate and comprehensive.

STRUCTURE OF THE CARDS

Before you begin studying the oracle, it is helpful to read the Table of Symbols on pages 12–13, also enlarged on the fold-out sheet.

There are 52 cards in the deck: 49 main cards and three accent cards. Each card correlates to a category (represented by the frame) and a number.

The number refers to the flow, its color, and sphere of life (for example: VII, violet, spirituality). The frame indicates the category, the chakra, and its color. The title of the card indicates its meaning.

CHASE

*fatigue and swiftness,
achievement in a hurry*

Chakra: Manipura

Colors: Yellow-Yellow

Category: Conditions

Meanings plus: Symbol of speed and lightning approach of some, often unexpected, event. Fixation on a goal, a pronounced desire. Attempting to change a situation for the better. A difficult but successful job. The need to do everything in an extreme hurry. Urgent trips.

Meanings minus: Regret for a missed chance, disappointment in someone. Aimlessness or a misguided goal. Fulfillment of a wish that does not bring satisfaction. Inner conflict, avoidance of one's own anger. Unresolved problem. Delayed result. Passivity. Unfortunate moment.

Personality description: An energetic, fussy person, inclined to act without reflection.

LIBERATION

*dependence and will,
limiting influence*

Chakra: Manipura

Colors: Yellow-Green

Category: Conditions

Meanings plus: Breaking old, unnecessary relationships or patterns. Release from unnecessary things in life: people, things, circumstances. Strong will. A relationship without commitment, a boring marriage. Public condemnation. Asking for help without the right to refuse. An opportunity to avoid trouble.

Meanings minus: Symbol of limitation, difficulty, powerlessness in all manifestations and spheres of life. Unnecessary, difficult, constraining circumstances. Unpleasant or tedious business. Mental anguish. Empty connections, doing more harm than good. Serious dependence. Threat of imprisonment. Powerlessness.

Personality description: A rather unpleasant, compulsive or addicted person. Or, on the contrary, a strong, strong-willed personality.

FLIGHT

*novelty and control,
going beyond*

Chakra: Manipura

Colors: Yellow-Light blue

Category: Conditions

Meanings plus: The desire to manage life and gain independence. The need to take the initiative, activity to solve the situation. Journey through the air. A long-held dream and the likelihood of its realization. Striving for fame and success. New experiences and people. An easy start, good luck. Pleasant emotions.

Meanings minus: Collapse of ideals, habitual foundations. Confrontation with harsh reality. Disappointment in a partner, unreliability. Loss of status or property. An

unfortunate trip. Impractical plans, the need to simplify them.

Personality description: An exalted idealist who attaches great importance to his status and the opinion of others.

MESS

*confusion and stagnation,
orderly chaos*

Chakra: Manipura

Colors: Yellow-Indigo

Category: Conditions

Meanings plus: Financial income from an unexpected source. Solution to love problems. Expansion of one's influence. Successful cleaning up the backlog of cases. Favorable time to make important decisions. Self-employment. A change of residence or job.

Meanings minus: A state of uncertainty, a standstill in affairs. Financial difficulties, losses, poor remuneration. Upset,

bad moods, unsteadiness. Severe stress. Gossip, slander, general judgment, negative thoughts and actions. Unappreciated efforts. The accumulation of unresolved problems.

Personality description: A complicated person, bringing problems and chaos to life.

ASCENT

*breakthrough and hierarchy,
the test of intention*

Chakra: Manipura

Colors: Yellow-Violet

Category: Conditions

Meanings plus: A symbol of life's journey. A chance to prove oneself. Achievement of good results at a higher level. Promotion at work, improved financial well-being. Implementation of plans through hard work, development and perseverance. Learning, acquiring new skills. Symbolizes an organization with a clear structure.

Meanings minus: The error of rash decisions and spontaneous actions. Problems with the implementation of plans in the short term, but with a chance to carry them out in the future. Problems at work due to the machinations of colleagues. Decline, including the usual level of prosperity.

Personality description: Diligent, but inclined to formal relationships, to the detriment of close or friendly ones.

PERSONAGES

GIANT

*support and indestructibility,
a measure of greatness*

Chakra: Anahata

Colors: Green-Red

Category: Personages

Meanings plus: Something significant or massive, a large size, an increase in something. Fortitude, the ability to endure.

A great challenge. A connection with powerful persons, feasible help from them. Possible victory over enemies or competitors after an intense struggle. Parent, adult. Exaggeration of existing difficulties. Or, downplaying the importance of one's role in the situation.

Meanings minus: Criticism from management. Circumstances are stronger than the ability to overcome them. A powerful adversary is beyond one's grasp. Big ego, mania, domination, tyranny.

Personality description: A large person, or one with great influence.

TWINS

*equilibrium and difference,
splitting unity*

Chakra: Anahata

Colors: Green-Orange

Category: Personages

Meanings plus: The existence of various choices in a given situation, where there is

no rigid, single correct path. The problem has two sides. Duality, doubling. A happy marriage or addition to the family. Balance and harmony in relationships, strong friendships. A rich harvest, abundance. Family celebration, meeting with relatives.

Meanings minus: A symbol of separation. Fear of separation. Confusion and uncertainty in one's personal life. Excruciating inability to make a choice, hesitation. Unplanned expenses. The domination of feelings over reason, the absence of a balanced position.

Personality Description: Harmonious personality, a jack of all trades. A versatile person with a wide range of interests.

STRANGER

*obscurity and strangeness,
duplicitous agreement*

Chakra: Anahata

Colors: Green-Yellow

Category: Personages

Meanings plus: A symbol of surprise, uncertainty. Events in life that cannot be foreseen, but that were bound to happen. An unexplored area of activity. Making the acquaintance of a new person of importance. The resolution of strange issues. Hidden emotions, dreams, weaknesses, or potential power. Mystery.

Meanings minus: An unpleasant situation at the most inopportune moment for which you are not prepared. Empty worries with no definite outcome. A dangerous business, a risky venture. The appearance of a hidden enemy. Accident. A loan for a large sum of money.

Personality description: Duplicitous person, or a person with ulterior, often cynical motives. Anonymous.

SHAMAN

*measurement and caring,
healing goodness*

Chakra: Anahata

Colors: Green-Green

Category: Personages

Meanings plus: A symbol of successful resolution of a difficult situation. Recovery: physical, mental, spiritual and material, after a difficult period. An opportunity to give someone support. An advocate, a confidant. Receiving a free service, a favor. Reconciliation. Futile concern.

Meanings minus: Forced participation in other people's affairs. To be dependent on someone. Health problems or helplessness in the situation. An unpleasant conversation. Losing a lawsuit. The need to take emergency measures by intervening in a situation. A painful waste of time.

Personality description: A person who is ready to help solve a problem, someone you can rely on in a difficult moment.
